

# A LETTER TO THE READER,

Many Greene County families lost a father, husband, brother or son during the Civil War conflict. More than a few families lost multiple family members. To these brave men, who as President Lincoln said, "gave the last full measure" - regardless of side, whether Union or Confederate - the Officers of the Greene County Genealogical Society speak with one voice when we humbly and sincerely say to these men and to their descendants, "Thank you for your service and for your sacrifice."

This Roll of Honor has been extracted from a much larger, comprehensive database of Greene County's Civil War Soldiers developed by The Society over a long period of time. We have made every effort to be as inclusive and as accurate as the available records allow. If you should see an error or omission in the Roll of Honor, please send a brief letter to P. O. Box 2410, Greeneville, Tennessee 37744. You may also write to confirm that your Greene County soldier has been included in the database. All correspondence must contain the soldier's full name and regiment information as well as your contact information. We are unable to accept phone calls.

The Greene County Genealogical Society is a nonprofit 501c3 organization. We would welcome your membership. Annual dues are \$20, for which you will receive our semiannual publication, The Greene County Pioneer.

Sincerely,  
 Officers of the Greene County Genealogical Society  
 Dedicated to Preserving the Histories of Greene County  
 Families and Their Contributions to Our Community
